

# THE SEGWAY® PT FOR TOURS

## SEGWAY®

Providing a unique and exciting opportunity for starting your own tour business or incorporating into your existing business!

“We’ve always looked for ways to separate ourselves from competition, and this had definitely done that. It is a great marketing tool.”

### POTENTIAL TOUR OPPORTUNITIES INCLUDE

CITY TOURS, LOCAL ATTRACTIONS, HOTELS & RESORTS, PARKS AND OTHER RECREATIONAL AREAS

### LEASING OPTIONS

AVAILABLE FOR TOUR FLEETS

### OPERATING A SEGWAY PT

TOUR BUSINESS CAN RESULT IN A RETURN ON INVESTMENT WITHIN THE FIRST NINE MONTHS. LEARN HOW TO GET STARTED

Operating a Segway Personal Transporter (PT) tour business can be both fun and profitable. If you are located in an area where tourism or other recreational venues are popular, starting a Segway PT tour operation provides a unique opportunity to promote and grow a business while setting yourself apart from competition.

Product information and the tools that you will need for setting up your tour business are all available.

**To learn more and to get started with your Segway PT tour operation visit <http://www.segway.com/tours>.**

# FEATURES

Segway offers a complete line of models and accessories that suit both the riding environment and the rider. Some Segway PT features include:
